

Below is a **Runway Gen-Series 200-Prompt Pack** customized for the **Pakistan Ministry of Information & Broadcasting (MoIB)**.

Each prompt is written for **text-to-video** (works for image-to-video too) and uses **brand-safe, non-political language** suitable for public-sector communications. Prompts include **camera motion, lighting, composition, duration, format, and bilingual (Urdu/English) overlays**. Replace any references such as **【PLACEHOLDER — MoIB emblem】** or links with your official assets during production.

Quick tips (optional)

- **Orientation:** append vertical 9:16 for Stories/Reels; landscape 16:9 for TV/web banners; square 1:1 for feeds.
- **Tone:** for clear PSAs, use **soft key light, high contrast, clean sans-serif**; for emergencies, use **amber accent bands and bold iconography**.
- **Text overlays:** Paste Urdu **verbatim**; add clear, legible typography; high contrast; no decorative fonts.
